

Take-Home Activity

The following strategies/ideas were provided in the module. Think about which of these you may already use or which ones you may want to try. Add other ideas you may want to try with your children.

Designate a spot for important papers that come home from school.

Designate a spot for homework to be completed that is clear, clean and in a place that is quiet.

Have a calendar for the week with jobs and homework that need to be done.

Develop a nighttime routine for getting things together for school and for nighttime reading.
